INDEX TO VOLUME 6

This index covers the issues for 2002, as follows: January–March (Number 1), pages 1–174; April–June (Number 2), pages 175–260; April–June supplement pages (A/J)S1–(A/J)S78; July–September (Number 3), pages 261–372; July–September supplement pages (J/S)S1–(J/S)S46; and October–December (Number 4), pages 373–502.

SUBJECTS

Abstracts, NAEMSP 2002 annual meeting, 142–174
NAEMSE 2002 research forum, 479–485
Accidents Aren't program, 204
Acute coronary syndrome, air medical transport in (position paper), 471
Acute myocardial infarction(s), *see* Myocardial infarction(s), acute
Advanced life support, at golf events, 11
in pediatric patients, 283
in rural trauma hospital patients, 299
AED(s), nonutilization by fire and police first responders, 378
performance during exposure to electromagnetic fields, 65
time to first shock in, 373
training of ski patrols in use of, 325
use by law enforcement personnel, 273
use by young untrained children, 295
use in airport settings, 1
Against medical advice, elderly patients' refusal of transport, 391
Agitated delirium, and sudden death (letter), 259
Air Medical Physician Association, position on appropriate use of medical transport, 464
position on medical direction of air medical services, 461
position on transport of acute coronary syndrome patients, 471
Air medical service(s), acute coronary syndrome patient transport (position paper), 417
appropriate use of medical services (position paper), 464
medical direction of air medical services (position paper), 461
Air medical transport(s), flight physician training for (position paper), 458
medical directors for (position paper), 455
Airport(s), defibrillator use in, 1
Alcohol use, restriction of, at sports events, 11
Alpert, J. S., Francis, G. S., *Handbook of Coronary Care, 6th edition* (book review), 476
ALS, *see* Advanced life support
Alternate destinations, triage to, 309
Ambulance(s), diversion in urban areas, 191
effect of telemedicine on, 445
priority dispatch of, 42
triage for transport by, 383
AMI, *see* Myocardial infarction(s), acute
Amiodarone, in cardiac arrest, 72
efficacy in rural EMS patients, 291
Analgesia, emergency department administration of, 402
in fracture patients, 406; 411
inadequacy of (editorial), 486
Analytic study design, in prehospital research, (A/J)S2
Anaphylaxis, food-dependent, exercise-induced (case conference), 348
subcutaneous epinephrine treatment of (position paper), 67
Anticholinergic(s), in toxic combination with opiates, 351
Apparent life-threatening events, pediatric (case conference), 229
Arrhythmia(s), post-resuscitation, 114
Association for Academic Chairs of Emergency Medicine, (J/S)S12
Auerbach, P. S., *Wilderness Medicine: Fourth Edition* (CD-ROM version), 256
Authorship, of research articles, (A/J)S32
Automated external defibrillator(s), nonutilization by fire and police first responders, 378
performance during exposure to electromagnetic fields, 65
time to first shock in, 373
training of ski patrols in use of, 325
use by law enforcement personnel, 273
use by young untrained children, 295
use in airport settings, 1
Automatic crash notification(s), 131

Basic life support, in pediatric patients, 283
Bledsoe, B. E., Porter, R. S., Cherry, R. A., *Paramedic Care: Principles and Practice Volume 5: Special Considerations/Operations* (book review), 69
Blinding, in research studies, (A/J)S38; (A/J)S48

Blood substitute(s), in trauma patient resuscitation, 81
BLS, *see* Basic life support
Blunt injury(ies), fluid resuscitation in, 81; 417
Book reviews, 69; 256; 355; 476

California 500 NASCAR race, EMS coverage, 315
Cardiac arrest(s), at airports, 1
amiodarone treatment for, in rural EMS patients, 291
clinical research in, (A/J)S57
lidocaine treatment for, in rural EMS patients, 291
pediatric, prehospital care and outcome in, 283
post-resuscitation syndrome in, 114
sudden ventricular fibrillation in, 236
vasopressor and antiarrhythmic management of, 72
Cardiac implants, prehospital provider training regarding, 425
Cardiopulmonary resuscitation, at airports, 1
failed, family members' response to, 440
field termination of, 440
post-resuscitation syndrome of, 114
Caribana Parade, Toronto, medical tent at, 199
Chain of survival, in stroke management, 99
Chest pain, triage in (position paper), 224
Children, *see* Pediatric(s)
Clinical research, in cardiac arrests, (A/J)S57
Clinical trial(s), randomized, in prehospital research, (A/J)S2; (A/J)S38
list of, (J/S)S32
Cohort study(ies), in prehospital research, (A/J)S2
Collaboration, in EMS research, (A/J)S28; (A/J)S38
in public health, (A/J)S63
Collision(s), involving pediatric and neonatal transport teams, 449
Communication(s), in EMS, in crash responses, 131
Community intervention trial(s), in cardiac ischemia, 175
Confidence interval(s), in prehospital research, (A/J)S9
Consent, in research, (A/J)S18
waiver in emergency situations, (A/J)S18
Consulin, S. M., Saunders, M. J., Raynovich, W., *Prehospital Drug Therapy, second edition* (book review), 355
Consultant(s), statistical, (A/J)S9; (A/J)S28
Control(s), in randomized clinical trials, (A/J)S38
Control study(ies), in prehospital research, (A/J)S2
Cost–benefit study(ies), in prehospital research, (A/J)S2
of cardiac arrest outcomes, (A/J)S57
Cost–effectiveness analysis, in EMS research, (J/S)S8
of cardiac arrest outcomes, (A/J)S57
Cost–utility analysis, of cardiac arrest outcomes, (A/J)S57
CPR, *see* Cardiopulmonary resuscitation
Crash(es), EMS response technologies for, 131
involving pediatric and neonatal transport teams, 449

Data and safety monitoring board(s), (A/J)S38
Database(s), national EMS, 123
use in retrospective research, (A/J)S48
Defibrillation, *see also* Automated external defibrillator(s)
in airport settings, 1
effect of electromagnetic exposure on, 65
by law enforcement personnel, 273
Delirium, agitated, and sudden death (letter), 259
Demographics, of cardiac ischemia patients, 175
of EMTs and paramedics, 433
Descriptive study(ies), in prehospital research, (A/J)S2
Disaster planning, for Professional Golfer Association Tour events, 11
Disasters, involving firefighters, 22
Dispatch, of ambulances, 42
Diversion, of ambulances, in urban areas, 191
Dominican Republic, EMS workforce in, 336
Double-blind research design, (A/J)S38
Drug abuse, opiates combined with anticholinergics (case conference), 351
Drug administration, errors in, 107
Drug(s), *see also* specific drugs
storage temperatures for, 319

Economic study design, in prehospital research, (A/J)S2
Education, *see also* Training
in child abuse recognition and management, 261
graduate, in tactical EMS, 322
injury prevention programs, 204
in nontransport of elderly patients, 31
of paramedics and EMTs, (J/S)S12
Eisele, D. W., McQuone, S. J., *Emergencies of the Head and Neck* (book review), 256
Elderly, refusal of transport by, 391
repeat EMS transports among, 6
Electromagnetic fields, effect on automatic external defibrillator performance, 65
Emergency department(s), alternative destinations for patient care, 309
ambulance diversions to, 191
nontransport to, 387
repeat care for elderly patients in, 6
triage for treatment in, 383
Emergency medical service(s), fire department-affiliated, 396; 489
at golfing events, 11

injury prevention role, 204
international, *see* International EMS
national database of, 123
palliative care protocols of, 36
pediatric, providers of, 15
performance assessments in, 92
at Professional Golfer Association Tour events, 11
urban, *see* Urban emergency medical services
Emergency medical services personnel, violence against, 186
Emergency medical technician(s), attributes and demographics of, 433
defibrillation by, time to first shock in, 373
training and education of, (J/S)S12
Emergency research, waiver of informed consent in, (A/J)S18
EMS, *see* Emergency medical services
EMT(s), *see* Emergency medical technician(s)
Endotracheal intubation(s), elimination of errors in, 107
rapid-sequence, paralytic-assisted (case conference), 472
End-tidal carbon dioxide monitoring, elimination of errors in, 107
Epidemiology, of pain in prehospital setting, 402
Epinephrine, in cardiac arrest, 72
Error(s), elimination in EMS, 107
types I and II, (A/J)S9
Esophageal detection device(s), 59
Ethic(s), in EMS research, (J/S)S4; (J/S)S16; (J/S)S18; (J/S)S29
Etomidate, for prehospital facilitated intubation, 50

Failed cardiopulmonary resuscitation, family members' response to, 440
Family, response to failed cardiopulmonary resuscitation, 440
Fire departments, emergency medical services of, 489
Firefighters, assaults on, 396
as first responders, failure to utilize AEDs, 378
illnesses and injuries in, 22
poem dedicated to, 53
First aid stations, at stock car races, 315
First responders, failure to utilize AEDs, 378
Flight physician(s), training of (position paper), 458
Ford, M., Delaney, K., Ling, L., Erickson, T., *Clinical Toxicology* (book review), 355
Fractures, prehospital analgesia for, 406; 411
Frame, Scott, dedication to, (J/S)S1
Funding, of EMS research, (A/J)S28; (A/J)S38; (J/S)S4; (J/S)S16
Future of Emergency Medicine Research conference, (J/S)S12

Golf events, EMS coverage at, 11

Grief support, for family of failed cardiopulmonary resuscitation patients, 440

Head injury(ies), fluid resuscitation in, 81
Heart arrest(s), *see* Cardiac arrest(s)
Helicopter emergency medical service(s), outcomes in nontrauma cases (annotated review), 242
for stroke patient transport, 210
trauma transport outcomes in (annotated review), 359
Helicopter(s), *see also* Air medical service(s); Air medical transport(s)
for pediatric trauma patient transport, 306
Hemorrhage, uncontrolled, fluid resuscitation in, 81
HIV infection, postexposure prophylaxis for, in remote environments, 232
Holohan, Thomas P., as victim of September 11, 2001, terrorist attacks, 53
Hospice patient(s), 36
Hospital(s), rural trauma, 299
Human immunodeficiency virus infection, postexposure prophylaxis for, in remote environments, 232
